

# Concerto and Basic

Concerto and Basic shower trolley help to facilitate efficient showering and hygiene care routines for dependent patients or residents who need to remain in a lying position. Promotes correct working posture.

## ARJO MOBILITY GALLERY

D

E

### Promotes correct working posture

Both Concerto and Basic are height-adjustable, allowing the caregiver to reach their preferred working height. The height-adjustability is operated with a hydraulic pump. Concerto is also available as an electrically powered model.

### Enables comfort and support

To enhance comfort, provide support and aid in positioning the resident, Concerto and Basic come with a padded mattress, head cushion and wedge pillow. Concerto also offers a back support which is adjustable to three positions. Concerto can also be tilted sideways for convenient cleaning and drying.

### Ease of Manouvreability

Concerto offers straight steering on two castors for transporting along corridors, and automatic horizontal levelling when lowered against a bed.

# Key features

## SIDE SUPPORTS

Lockable and foldable side supports that can be lowered to facilitate lateral transfers

## HIGHT ADJUSTABLE

Features pedal and hydraulic pump or electrically powered actuator, for easy height adjustability

## PRODUCT SPECIFICATION

Max total safe working load	175 kg (385 lbs)
Max resident/patient weight	150 kg (330 lbs)
Lifting stroke	320 mm (12 1/2 in) hydraulic 300 mm (11 3/4 in) electric
Height, top position of stretcher	740-1060 mm (29-41 3/4 in) hydraulic 740-1040 mm (29-41 in) electric
Weight	72 kg (159 lbs) Basic 75 kg (165 lbs) Concerto 79 kg (174 lbs) electric
Width, stretcher	620 mm (23 13/32 in)
Total width (including side supports)	755 mm (29 3/4 in)
Total length (different stretcher lengths)	1600 mm, 1850 to 1950 mm, 2250 mm (63 in, 73 to 76 3/4 in, 88 1/2 in)
Length of chassis (including wheel frame)	1155 mm (45 1/2 in)
Height of chassis	160 mm (6 1/4 in)
Temperature	+10 to +40 C (+50 to +104 F) Operating -20 to +70 C (-4 to +158 F) Transport -20 to +70 C (-4 to +158 F) Storage
Humidity	30-75% Operating 10-80% Transport 10-80% Storage

## SPACE REQUIREMENTS

- Blue area shows the minimum working area required for the staff to be able to use the mechanical aids in an ergonomic way from one side.
- Light blue area shows required extension of working area to facilitate activities from either side to provide adequate access.
