

## ■ ■ ■ 5000 Line

The 5000 Line has two models, the "5000" is suitable for users up to 120 kg and model "5000 Enforced" is suitable for users up to 150 kg. Model "5000 Enforced" is standardly equipped with a seat depth adjustment. Both chairs can withstand strong forces and are provided with various adjustment systems. To increase the sitting comfort even more, there are several accessories such as a headrest, a sliding seat, an adjustable lumbar support, etc. A good sitting position is less tiring and promotes better performance!
